Our Father Kept A Garden

Our Father kept a garden.
A garden of the heart;
He planted all the good things,
That gave our lives their start.

He turned us to the sunshine,
And encouraged us to dream:
Fostering and nurturing
The seeds of self-esteem.

And when the winds and rain came,
He protected us enough;
But not too much because he knew
We would stand up strong and tough.

His constant good example,
Always taught us right from wrong;
Markers for our pathway that will last
a lifetime long.

We are our Fathers garden,
We are his legacy.
Thank you Dad we love you.

In Memoriam

Carl R. Borrelli

The All-Brite Electric family mourns the loss of Carl R. Borrelli, who founded All-Brite Electric in 1977. Carl passed away at home on Thursday December 13, 2012.

Although we are saddened by his passing, we are proud to reflect upon his accomplishments and privileged to carry on the values that Carl brought to the electrical contracting business.

Carl graduated from Boardman Trade School, then served his apprenticeship with the Otto Schulz Company. He then went on to work for Diamond Electric as a licensed electrician and later a foreman. His next step was Borrelli Electric as a superintendent and estimator. In 1974, Carl and his good friend, Don Ritchitelli, started R&B Electric, and then All-Brite Electric in 1977.

Carl served as president of the National Electrical Contractors Association (NECA) in the mid-80s and was vice chairman and a founding director of The Bank of Southern Connecticut.

His enthusiasm and work ethic has left a mark on everyone who had contact with Carl. He would always tell the electricians in the field to "work smarter and you won't have to work as hard" and those in the office were told, "No mistakes."

A Tribute

"I first met Carl in 1974 when he worked for Neil Borrelli (no relationship, talk about a strange coincidence). To this day I can't believe he was only 37 when I met him; he seemed to be a lot older and wiser than his years.

"Carl never seemed like a customer, but a friend, going on Father's Day golf trips, having breakfast with him and Dorothy on Sunday before we went to play a round of golf at Racebrook Country Club, or going to his home in Florida. I could write pages about what a good person, father and husband Carl was to his family, but everyone who knew him would have their own stories similar to mine. We'll miss him, that's for sure."
